# Guidelines for International Arrivals (in supersession of guidelines issued on the subject on 2<sup>nd</sup> September 2022)

#### Introduction

Ministry of Health & Family Welfare has issued 'Guidelines for International Arrivals' in context of COVID-19 pandemic and updated the same from time to time. The present guidelines are being revised in light of sustained declining COVID-19 trajectory and significant advances being made in COVID-19 vaccination coverage both globally as well as in India.

## Scope

This document provides protocols to be complied by international travellers as well as points of entry (airports, seaports and land border) and shall be valid **w.e.f. 22<sup>nd</sup> November 2022 (00.01 Hrs IST)** till further orders.

#### A.1. Planning for Travel

i. All travellers should preferably be fully vaccinated as per the approved primary schedule of vaccination against COVID-19 in their Country.

## A.2. During Travel

- ii. In-flight announcement about the ongoing COVID-19 pandemic including precautionary measures to be followed (preferable use of masks and following physical distancing) shall be made in flights/travel and at all points of entry.
- iii. Any passenger having symptoms of COVId-19 during travel shall be isolated as per standard protocol i.e. the said passenger should be wearing mask, isolated and segregated from other passengers in flight/travel and shifted to an isolation facility subsequently for follow up treatment.

## A.3. On arrival

- iv. De-boarding should be done ensuring physical distancing.
- v. Thermal screening should be done in respect of all the passengers by the health officials present at the point of entry.
- vi. The passengers found to be symptomatic during screening shall be immediately isolated, taken to a designated medical facility as per health protocol (as above).
- vii. All travellers should self-monitor their health post arrival also shall report to their nearest health facility or call National helpline number (1075)/ State Helpline Number in case they have any symptoms suggestive.
